### Customer Health and Safety Policy

DOC NO: SEKH-CEHS-04

ISSUE NO:02

ISSUE MONTH: AUGUST 2025

I

REVISION DATE: NA

#### 1. Objective:

The primary objective is to ensure the highest standard of health and safety for our customers and visitors. We are committed to providing safe, effective, and high-quality products that meet regulatory requirements and customer expectations.

#### 2. Scope

This policy applies to all customers and external visitors to our company Sekhmet which includes Optimus drugs, Optimus Pharma and Anjan drugs premises, including but not limited to our offices, manufacturing sites, and any other locations where our activities are conducted.

#### 3. Commitments

##### We are committed to:

- Identifying potential hazards within our premises and implementing risk management strategies.
- Providing comprehensive staff training to assist and guide customers and visitors effectively.
- Ensuring the safe handling, usage, and storage of chemicals and other hazardous substances.
- Maintaining equipment to the highest safety standards and ensuring its safe operation.
- Clearly displaying health and safety requirements throughout our premises.
- Providing Personal Protective Equipment (PPE) to customers and visitors before they enter production areas or other zones where PPE is required.
- Offering guided tours to customers and visitors to ensure their safety during their visit.
- Equipping our facilities with adequate first aid resources to address any injuries promptly.
- Ensure all employees receive training on health and safety protocols, emergency procedures, and customer assistance
- Provide clear labelling and safety data sheets for all materials

REVISION DATE: NA

- Health and safety signs shall be clearly displayed throughout our premises to communicate warnings, mandatory actions, emergency exits, and other relevant instructions.
- Maintain fully stocked first aid kits and trained personnel to administer first aid when required

#### 4. Policy Review and Approval

This policy will be reviewed periodically to ensure its continued relevance and effectiveness in protecting customer health and safety. This policy has been endorsed by the CEO to align with our company's values and objectives and any amendments to the policy will be subject to approval by the CEO of Sekhmet Pharma ventures. The policy will also be reviewed in response to significant changes in regulations, industry standards, or company operations.
